EDUCATION

Georgetown McCourt School of Public Policy • GPA 3.97 **Expected May 2026**

M.S. Data Science for Public Policy

College of William & Mary • Summa Cum Laude • GPA 3.82

B.A. Sociology • B.A. Data Science

EMPLOYMENT

Research Intern • **Bipartisan Policy Center, Terwilliger Center for Housing Policy** **Jan 2026 – Present**

- Research housing policy issues to support center initiative and inform policy recommendations.
- Assist with public communication efforts to increase stakeholder awareness of center research.

Graduate Teaching Assistant • **GU McCourt, Intro to Data Science** **Aug 2025 – Dec 2025**

- Held office hours to support students with coursework, troubleshooting code, and clarifying methods.
- Graded assignments for students, providing detailed feedback on data analysis and programming concepts.

Summer Intern • **Congressional Budget Office, Financial Analysis Division** **May 2025 – Aug 2025**

- Simulated student-loan borrowing using Markov Chain models to inform federal budget policy decisions.
- Contributed to official cost estimates for Congress on student loan provisions in H.R. 1 (OBBA Act).
- Developed and maintained Python code for the CBO's student loan microsimulation model.

Research Intern • **Brookings Institution, Brown Center for Education Policy** **Jan 2025 – Apr 2025**

- Conducted data cleaning, analysis, and visualization on Dep. Of Ed Office of Civil Rights complaints.
- Scraped and processed data from online news articles on school boards for policy research.
- Synthesized education policy developments and trends, drafting material for public communications.

Employer Data Analyst • **Massachusetts Teachers' Retirement System** **Oct 2023 – Aug 2024**

- Managed portfolio of 20+ districts, utilizing Excel macros to track retirement processes and regulations.
- Developed data-driven resource materials to aid employers in retirement benefits and procedures.

RESEARCH

Graduate Research Assistant • **GU McCourt, Dr. Eva Rosen** **Nov 2025 – Present**

- Coordinate with DC Council and court officials to analyze local eviction data for policy research

Graduate Research Assistant • **GU McCourt, Dr. NaLette Brodnax** **Aug 2024 – May 2025**

- Preprocessed data on 1M+ American voters and school zone geospatial data using Python.
- Modeled correlations between school discipline policies and local trends to inform education equity
- Documented code through Git and develop guides to support future research and create reproduction files

Undergraduate Research Assistant • **W&M, Dr. Salvatore Saporito** **Sept 2022 – Sept 2023**

- Applied Markov Chain simulations to state district maps to evaluate racial segregation patterns
- Managed data preprocessing, simulation execution, and database management in Python and SQL

VOLUNTEER

Eviction Crisis Volunteer • **RVA Eviction Lab & W&M SJPI** **Sept 2021 – May 2022**

- Observed demographics and trends in eviction litigation for contribution to statewide database

Non-Attorney Volunteer • **Virginia Eviction Legal Helpline** **Feb 2021-May 2021**

- Supported legal intake and documentation for tenants facing eviction and navigating housing instability

TECHNICAL SKILLS

Python (pandas, NumPy, scikit-learn) • R (tidyverse, ggplot2) • Stata • Cloud (AWS, Azure) • SQL • Tableau • Git/GitHub • Machine Learning (Regression, NLP, Clustering)
